# Corner to Corner Rug Pattern

Requirements: use any yarn of choice & appropriate hook

~ This pattern is worked diagonally from corner to corner. You work increasing rows until your desired size, then work decreasing rows to complete your project.

~ You will need to divide your yarn in half; one half for increase & the other half for decrease

~ & you will require additional yarn if you plan a border. I personally don't think this rug (afghan) needs a border but of course, it's up to you, this is your project.

Abbreviations:

sp/s = space/s

▲ = FO, finish off

● = ss, slip st

○ = ch, chain

= tr, treble

(US: dc, double crochet)

**Treble (tr) (US: double crochet (dc)):** YO (*yarn over*), insert hook into stitch or space as indicated by pattern & draw up a loop (*3 loops on hook*), (YO & draw through 2 loops) twice = treble (US: double crochet (dc)) made

**Finishing off:** with last st complete, cut yarn (*leaving about 10/12 cm (4"/5") tail*) & draw through loop on hook, pull tight to close loop. Weave in tail end. With slippery yarn draw through loop twice (*make an extra chain*) & pull down tightly with your thumb to close. Weave in end.

## Increasing Rows

**Row 1:** ch 6, tr (US:dc) in 4th ch from hook, tr in last 2 ch = 4 x tr (US:dc) (**first block made**)

**Row 2:** ch 6, tr (US:dc) in 4th ch from hook, tr (US:dc) in last 2 ch, *turn your work vertically*, work (ss, 3ch, 3 tr (US:dc)) in 3-ch-sp of previous row = **2 blocks made**

**Row 3:** turn, ch 6, tr (US:dc) in 4th ch from hook, tr (US:dc) in last 2 ch, *turn your work vertically*, work \*(ss, 3ch, 3 tr (US:dc)) in 3-ch-sp of previous row, repeat from \* twice = **3 blocks made**

**Subsequent Rows:** work as in Row 3, increasing by one block each row until your work reaches your desired size.

## Decreasing Rows

from now, at the end of each row, \* turn, ss across the first 3 tr, (US:dc) \*\* work (ss, 3 ch, 3 tr (US:dc)) in next 3-ch-sp of previous row, repeat from \*\* across to last 3-ch-sp, ss in last 3-ch-sp, (*do not make a block in the last 3-ch-sp*)

**Subsequent Rows:** repeat from \*, decreasing by one block each row until last corner made,

~ Thank you for downloading my pattern - I hope it brings you much creative joy - I'm committed to providing accurate info, both written & diagram. However, should you come across any problems, questions or comments, please don't hesitate to contact me -

~ I'm very happy for you to use the pattern for fun, personal challenges, gifts & fundraisers - but not so happy if you re-print it for others or sell it for profit - you know the drill - copyright & all that!! Thanks for your help & understanding in this matter.... Renate
